DINING

Restaurants be aware of this event as there will be individuals looking for food options for lunch and dinner each day. They will be coming in small groups and will be looking for both dine-in and to-go options for food. Most will be looking for options that are within walking distance from KICC. Teams typically are at KICC for only about 2 hours out of the day so there will be waves of traffic all day. Also note that there will be teams not leaving the facility until after 9:00pm each night and looking for late night food. Even if you have limited menu, there will be people looking for food close to the location.

Attendees will be on their own for *MOST MEALS* as shown below. "x" shows which meals will be on the attendees OWN.
